

YOU'RE INVITED

Dear

Our young people are about to experience Christ in a transformative and personal way through a NET retreat!

In response to the vast number of youth who disconnect from the Church during their teenage years, NET Ministries challenges young Catholics to love Christ and embrace the life of the Church. To carry out this mission, NET trains teams of young adults between the ages of 18-28 who are on fire for their faith and passionate about proclaiming the Gospel. These teams are witnesses of what it means to have a personal relationship with Christ and invite young people across the United States to embrace Christ's love for them and their place in the Church. Since 1981, NET Missionaries have proclaimed the Gospel to over 2 million young people. The NET team would love to meet you and have you assist our young people in embracing the faith at the retreat. Please stop by to say hello and meet the team. Retreat details can be found below.

Sincerely,
